

# JAMES W. ORR, JR., M.D., FACOG, FACS

FLORIDA GYNECOLOGIC ONCOLOGY

## COMMITMENT TO WOMEN'S CANCER

*Dr. James "Jimmy" Orr believes that all women with suspected or diagnosed gynecologic cancer should have access to the best treatment available. His local, regional and national leadership positions, combined with strong ties to evidence-based medicine and a devotion to clinical research, form the foundation of his practice. His vision is to deliver state-of-the-art care—from diagnosis to post treatment surveillance—in a warm and compassionate environment. Dr. Orr's expertise in preoperative and postoperative care, reconstructive, radical and ultra-radical surgery has developed from years of intensive surgical training, continued review of scientific literature, teaching and participation in clinical research. This, blended with a large volume of personal surgical experience and continued evaluation of outcomes, results in improved patient care and satisfaction.*
